

CLIMATE CHANGE CONFERENCE

The **Catholic Justice and Peace Commission**, Archdiocese of Brisbane and the **Social Action Office**, Conference of Religious Institutes of Queensland are co-sponsoring

A conference for Catholics and other people of faith to

- consider the evidence for climate change and its impacts
- explore the biblical, theological and spiritual dimensions of a Christian response
- learn about practical ways to take the urgent action required in various dimensions of our lives.

Invited resource people will include

- Dr Clyde Wild, Associate Professor and Director of the Centre for Innovative Conservation Strategies, Griffith University
- Dr Veronica Lawson, Scripture Scholar, former Senior Lecturer in Theology, Australian Catholic University, Ballarat Campus
- Mr Col Brown, Executive Officer of Catholic Earthcare Australia
